Welcome to the 2nd AAI Info Day

Andreas Dudler, SWITCH & ETH Zurich

December 3, 2003

Vision of e-Academia

Vision of e-Academia

"We want a virtual community across our institutions in which all persons associated with the Swiss Higher Education System are able to gain access to its electronic resources, independent of the accrediting organization and independent of the place where they happen to be working."

Building Blocks

Security Technology

Connectivity

IT Professionals

e-Academia

Money

Trust
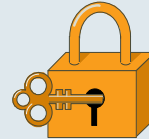

Processes Organization
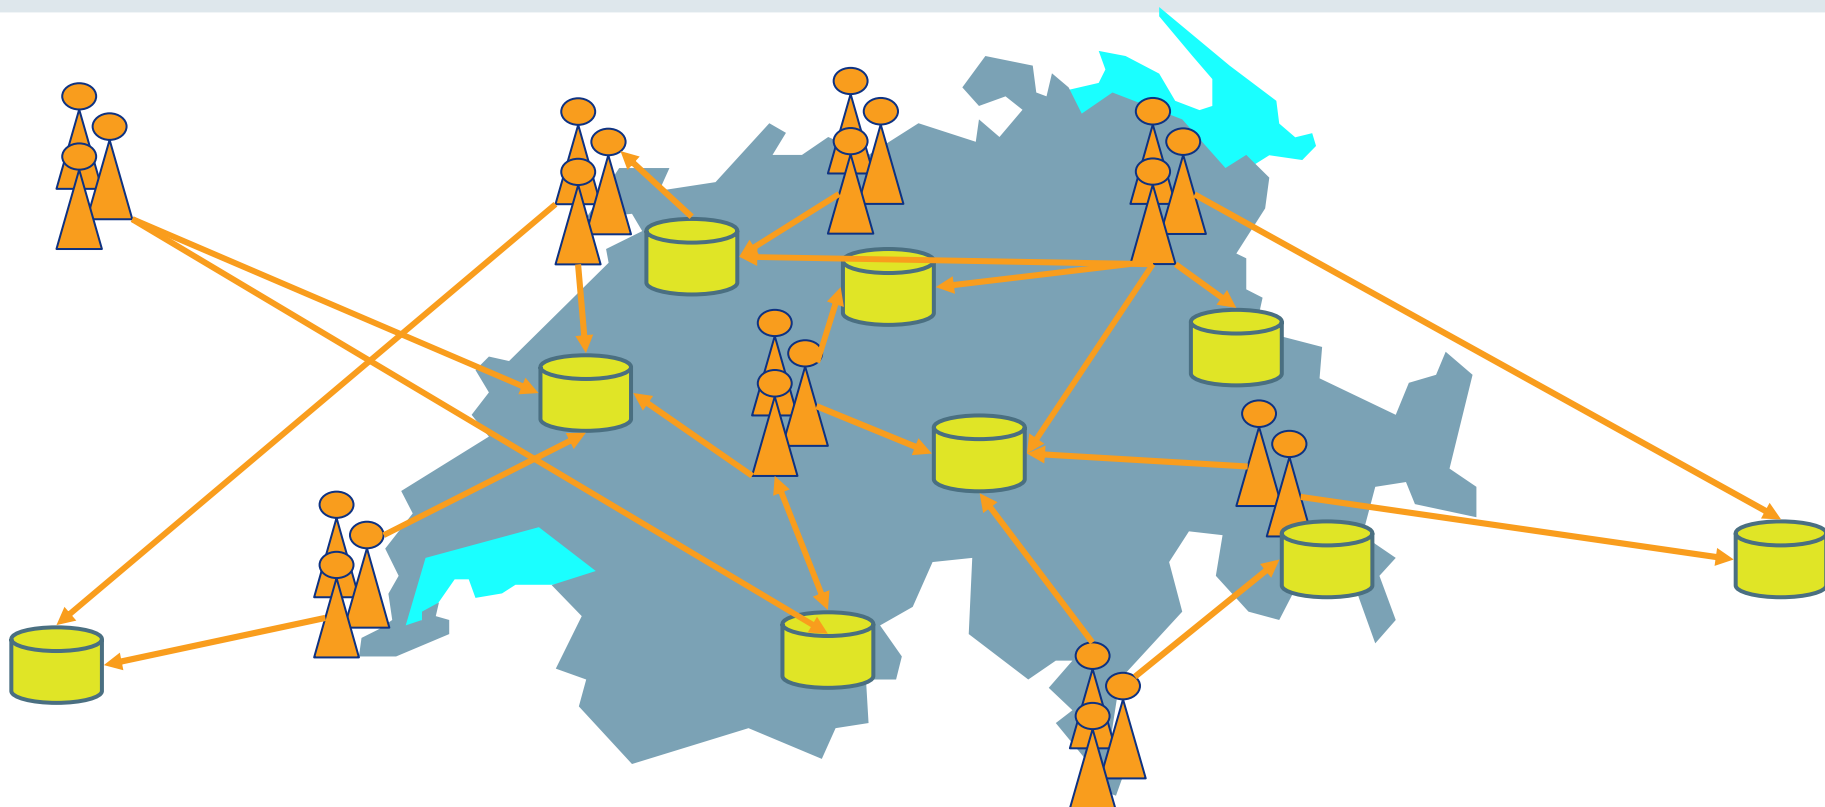

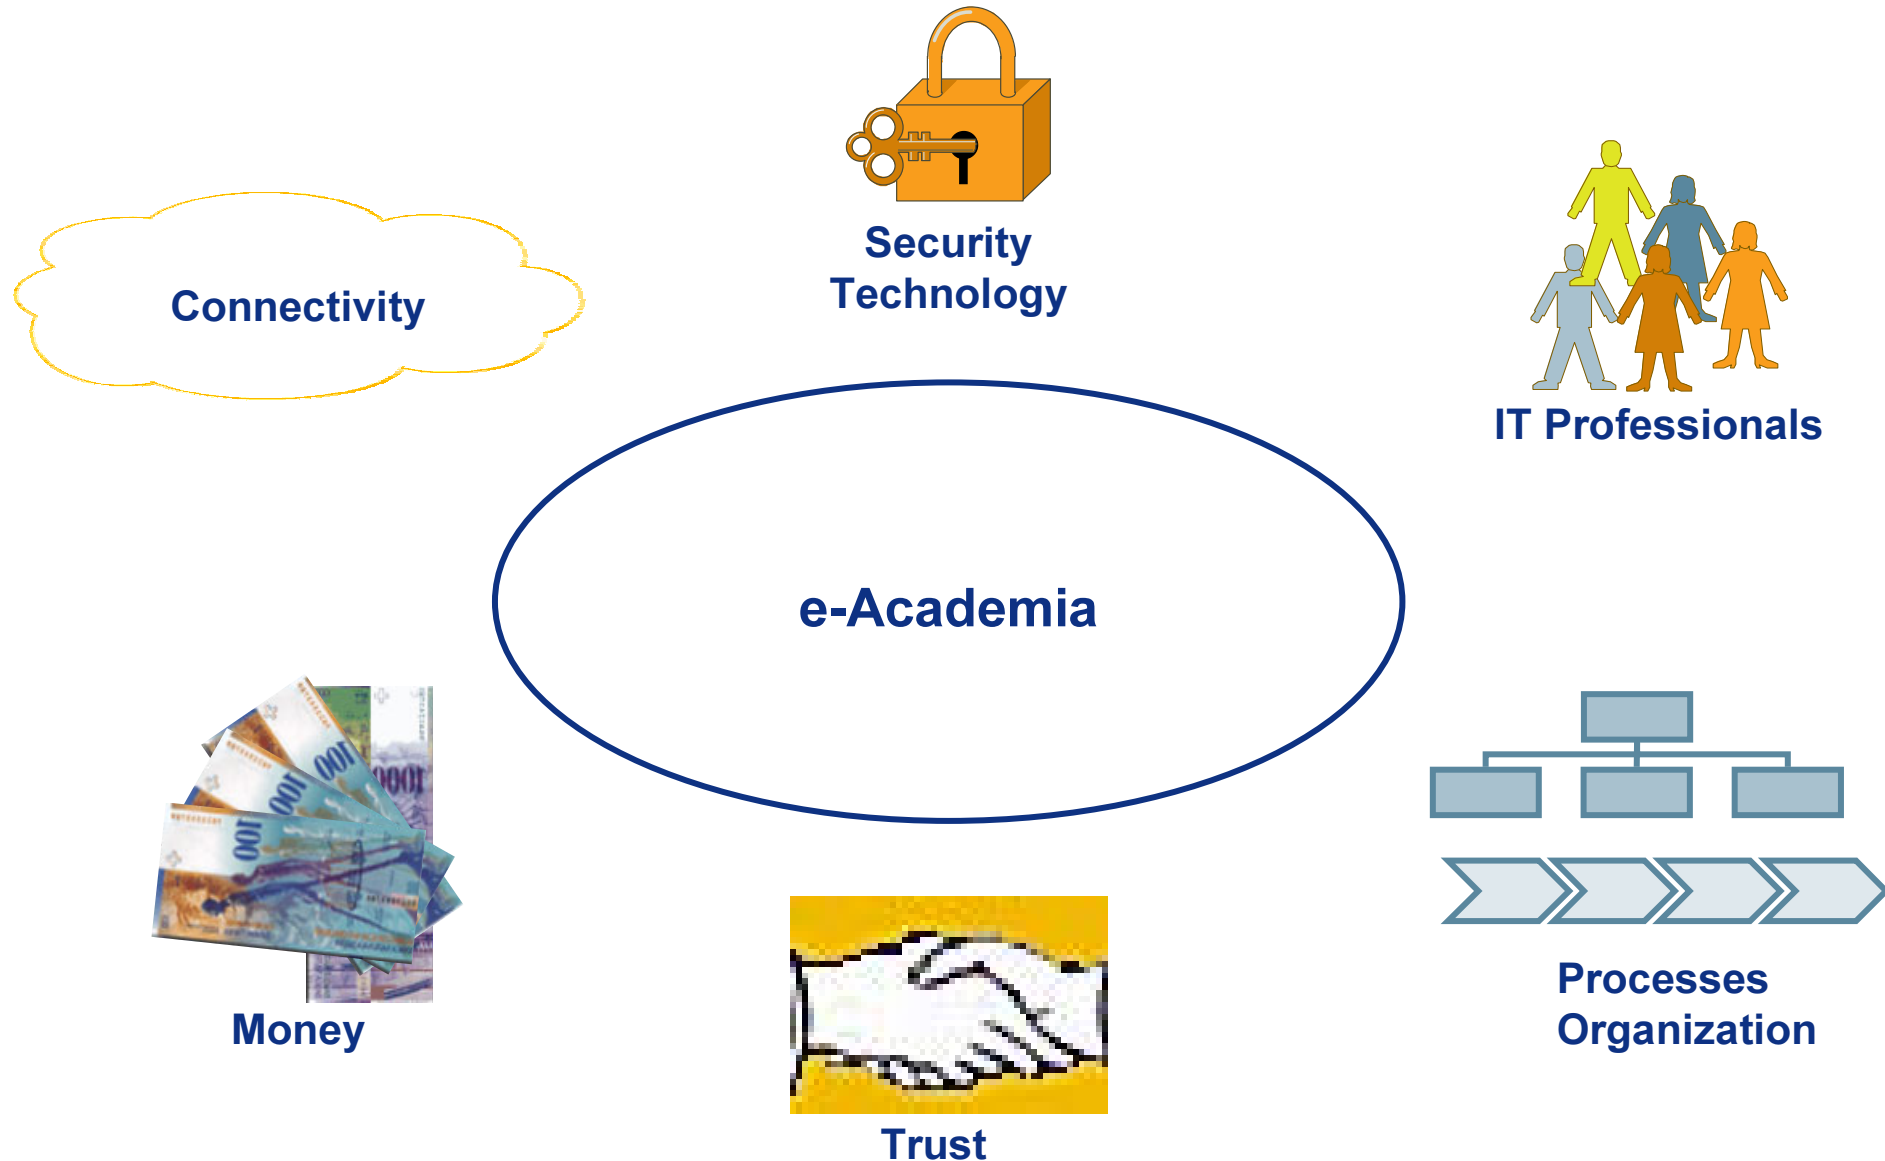

Role of SWITCH

**SWITCH**
The Swiss Education & Research Network

Connectivity

Provides IP-Connectivity

Wire & Wire-less

Investigations in new
security technologies
like Shibboleth

Consulting & Project Mgmt

Technology Experts

SWITCH aai

Funding of pilot projects

Applying for subsidies

Built on the mutual trust between
Swiss academic institutions

Provides value added network
services which suites the needs
of the academic community
