AAI Monitoring and Usage Statistics

- WebSMS
- Hot spots in the SWITCHaai federation

WebSMS Accounting Pilot

- Pilot phase has ended
- WebSMS available in the SWITCH econf portal in 2008

Welcome to the e-Conferencing Portal

The image contains four sub-images with labels below them:

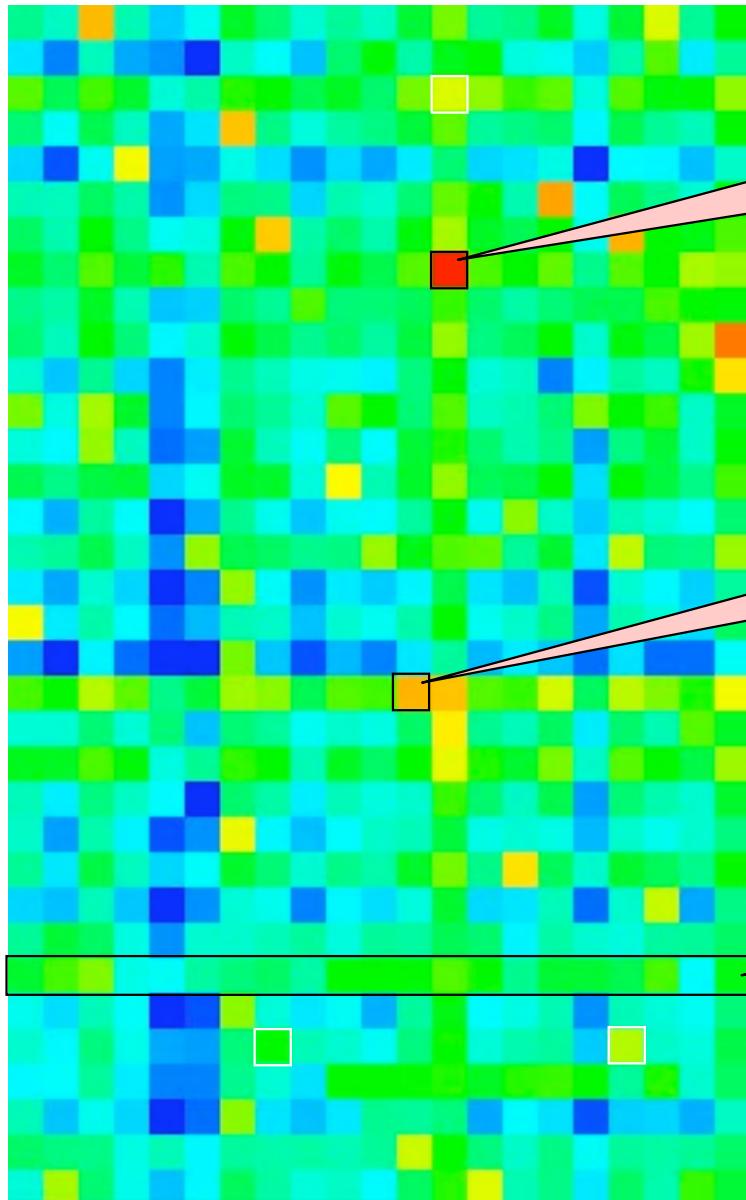

- Videoconference**: A person sitting at a desk with a video conference setup.
- Collaboration**: Two people working together on a computer screen displaying a presentation slide.
- Streaming**: A close-up of a handheld device (like a smartphone or small tablet) displaying a video stream.
- WebSMS**: Two hands holding mobile phones, one of which is displaying a text message interface.
