Expert Rules - Example

Examples

Only course administrators and students studying human medicine can access a course.

```
isCourseAdministrator(0)
(hasAttribute("swissEduPersonStudyBranch2","51")) |
(isInAttribute("eduPersonEntitlement","http://www.usz.ch/vam")) |
(isInAttribute("eduPersonEntitlement","http://www.vam.unizh.ch")) |
(isInAttribute("organizationalUnit","4")) |
(isInAttribute("organizationalUnit", "8"))
```

Course administrators, students studying human medicine and dentistry can access a course.

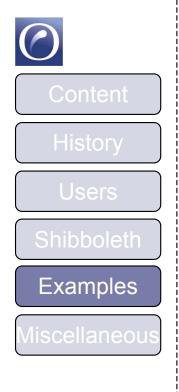

```
isCourseAdministrator(0) |
(hasAttribute("swissEduPersonStudyBranch2","51")) |
(hasAttribute("swissEduPersonStudyBranch2","52")) |
(isInAttribute("eduPersonEntitlement","http://www.usz.ch/vam")) |
(isInAttribute("eduPersonEntitlement","http://www.vam.unizh.ch")) |
(isInAttribute("organizationalUnit","4")) |
(isInAttribute("organizationalUnit", "5")) |
(isInAttribute("organizationalUnit", "8"))
```

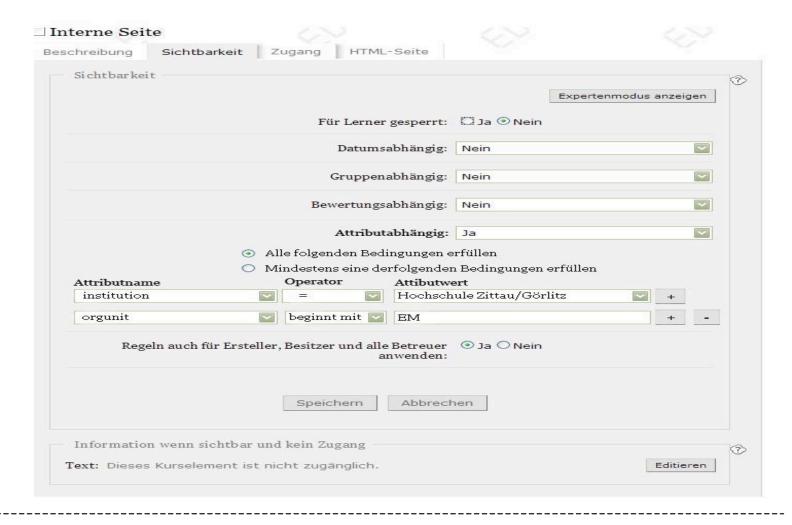

Expert Mode - GUI (2)

Future prospects: Setting restrictions will be much easier.
