SWITCH VHO Service

4

- Targeted end user groups
 - Attendees of a further education or other training
 - Collaboration projects from private companies or foreign universities, which are not in the SWITCHaai federation
- Groups are created by SWITCH
- Resource owners can manage end user accounts themselves

VHOtools - Key functionalities

- Administrator services
 - Manage one or more groups, which can be structured hierarchically
 - Define description for each group (support contact, mail templates)
 - Create new user accounts with some AAI attributes (E-Mail, entitlement, ...)
 - Modify, delete and expire user accounts (incl. password resets)
 - Import and export of user lists
 - View group statistics
 - Account expiration reminder
- End user services
 - Login
 - User self-service password changes
 - Support information
