## Motivation – loose relationships

2

## Possible solutions

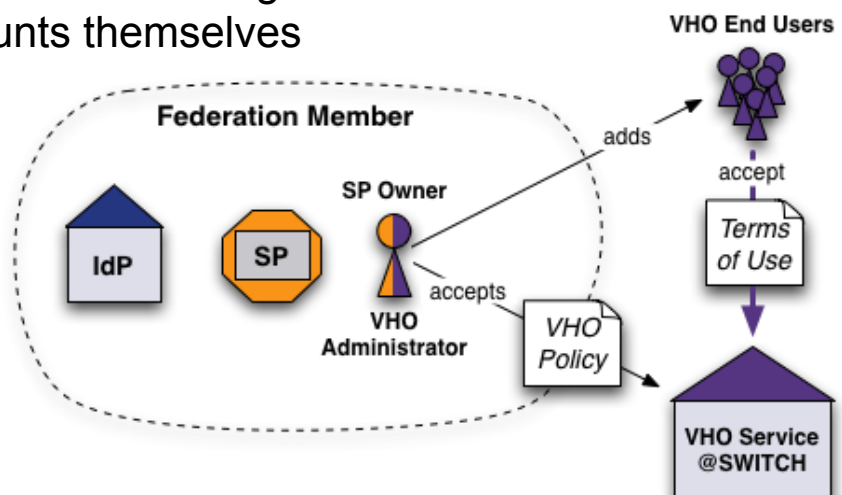

3

## SWITCH VHO Service

4

- Targeted end user groups
  - Attendees of a further education or other training
  - Collaboration projects from private companies or foreign universities, which are not in the SWITCHaai federation
- Groups are created by SWITCH
- Resource owners can manage end user accounts themselves

## VHOtools - Key functionalities

- Administrator services
  - Manage one or more groups, which can be structured hierarchically
  - Define description for each group (support contact, mail templates)
  - Create new user accounts with some AAI attributes (E-Mail, entitlement, ...)
  - Modify, delete and expire user accounts (incl. password resets)
  - Import and export of user lists
  - View group statistics
  - Account expiration reminder
- End user services
  - Login
  - User self-service password changes
  - Support information
